GREEN MUST PAY A HEAVY FINE

Teamster Accused of Causing
Fatal Accident in
Cou t.

E. L. Green must pay \$100 and costs to the Territorial treasury or go to jail. Green was found guilty yesterday by Judge Wilcox in the police court of "heedless and furious" driving.

Green might have been convicted of killing a woman if the police had put that charge against him. That he was the cause of a woman's death is the belief of Judge Wilcox and of many others. Green was first arrested on December 19 on the complaint of Makena, a Hawaiian, who accused him of deliberately running down a brake in which were Makena and his wife and of causing her to be injured so that she died a few days ago.

In the District Court yesterday Green was put on trial. He is a teamster and drives a stone wagon for a firm of contractors. The husband of the dead woman, Makena, testified that he and his wife were driving on Beretania street on December 18 between 2 and 3 o'clock in the afternoon near Kamohili when a wagon loaded with ballast and driven by Green came up behind their brake and without warning crashed into it. The brake was thrown against a stone wall and overturned.

Makena's wife was pitched headlong to the road and her ankle broken. Kahawai Palaina testified that he saw the accident and that Green was to blame. Green swore that his wagon did not touch the brake at all but that Makena drove over a rock and in that way the vehicle was overturned. It was stated by the prosecution that Dr. Wood, the attending physician, said that the woman's injuries were the cause of her death. Judge Wilcox, after listening to all the evidence, which was meager though sufficient on the part of the police, fined Green the limit of the law. The magistrate said he believed Green was guilty of extreme negligence.

Many of those who knew of the matter were surprised that the police did not charge Green with manslaughter. It is hinted that the evidence was not brought out but that the police have a strong case against Green which will be laid before the next Grand Jury. Makena says that he will immediately bring suit for damages against Green for the loss of his wife and the damages to the brake.

A SIEGFRIED WAGNER OPERA. Siegfried Wagner has just put the finishing touches to a three-act grand opera to be produced at Bayreuth in April.

A DIAMOND IN HONOLULU

Plans To Boom Game
of Baseball.

PETITION TO GO AROUND

Governor Will Be Asked To Allow
Use of Old Grounds
at Makiki.

The baseball pot is at last showing signs of simmering; in fact, it is almost assured that it will simmer this summer.

A movement is on foot to petition Governor Dole through the medium of the Superintendent of Public Works to secure the old baseball grounds at Makiki and to ask for permission to erect a commodious grand stand on the same.

There are two full teams in existence at present, the Kamehamehas and the St. Louis; the Maile Ilima Athletic Club team hope to have effected a complete organization in two weeks. In order to facilitate matters it will be necessary to have a committee composed of the leading baseball men, to canvass the City for subscriptions, the same being necessary to defray the expenses of the different teams.

The admission to the games, which will be played on a League basis, will be free at any and all times. It is intended to erect in connection with the grand stand, dressing-rooms for the teams, or for any athletic organization which may use the grounds, as well as shower baths and accommodation for a salaried ground-keeper, whose duties will be to be in attendance at all times and keep the grounds in proper condition. The latter expense will be deducted from the subscription fund which it is anticipated will be very generally forthcoming from the local merchants and business men.

The ground will be available for cricket matches, football games, field days and athletic contests generally, which at present are languishing on account of the lack of a suitable ground. Such contests, however, must be arranged in accordance with the regular schedule of baseball games which will at all times have precedence and suffer no conflict.

The promoters of the scheme will meet in a few days and elect temporary officers and will also appoint committees to receive subscriptions, provided, of course, that the Executive will act in accordance with the proposition outlined above. A proposed name for the new association is the Territory of Hawaii Baseball Association.

The contests will be for the honor of winning the championship pennant of 1901 and there will be no financial considerations attached to them whatever.

By this means the conditions which have been responsible for the decadence of local baseball during the past year will be entirely eliminated. The game will be played solely on its merits and those attending the exhibitions may be assured of witnessing afternoons of clean bona fide sport.

The center section of the grand stand will be reserved for ladies and their escorts. The other two sections which will flank the center section will be placed at the disposal of the general spectators.

The High Sheriff will be asked to provide the necessary officers to ensure the rules of both ground and grand stand being fully conformed with.

GOOD SCORES OF SOLDIER SHOOTERS

Complete Results of the Semi-
Annual Medal Contest
at Kakaako.

The following are the complete results of the second semi-annual medal shoot for 1900, held on January 12 and 13, at the Kakaako range by the National Guard of Hawaii:

Pvt. J. E. Keama G 35

The attendance at this shoot was extremely satisfactory and the work done was generally very good. Eighty-five of those who shot qualified. There is considerable speculation among the men as to when the McCarthy trophy shoot will be called. This trophy is shot for by teams of fifteen men from each company and any team winning it twice retains it permanently. It has been shot for once and won by Company B. Since then, however, Company B has had the misfortune to lose at least eight of its best shots, and therefore the next rub should be between Companies F and G. If possible, Company B will enter a team for the next shoot.
